

Drawing 101

Directions

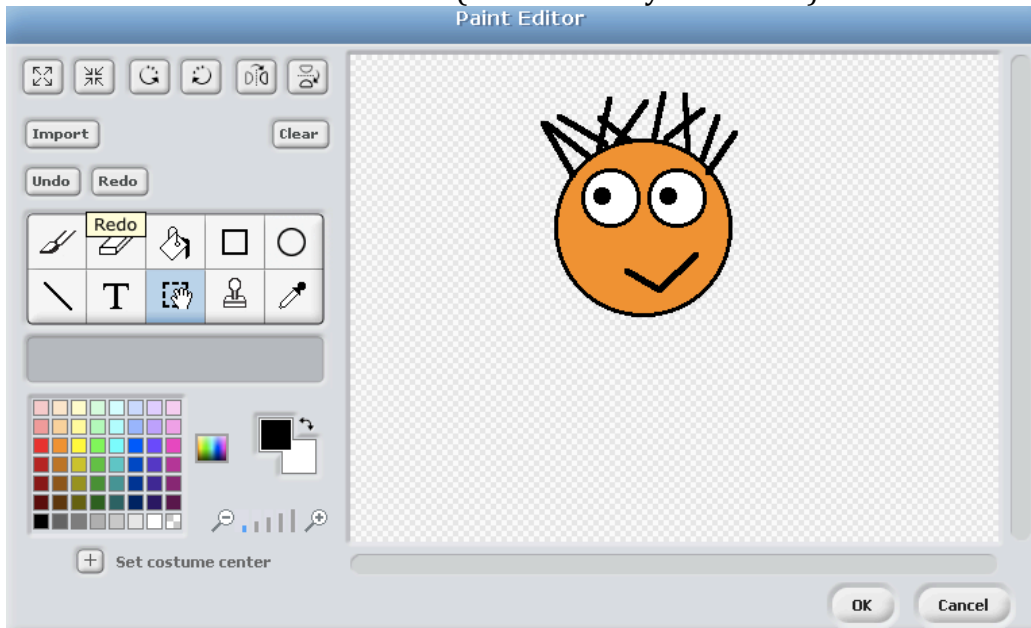

1. Delete the cat
2. Go to "Paint a new sprite"
3. Draw a circle

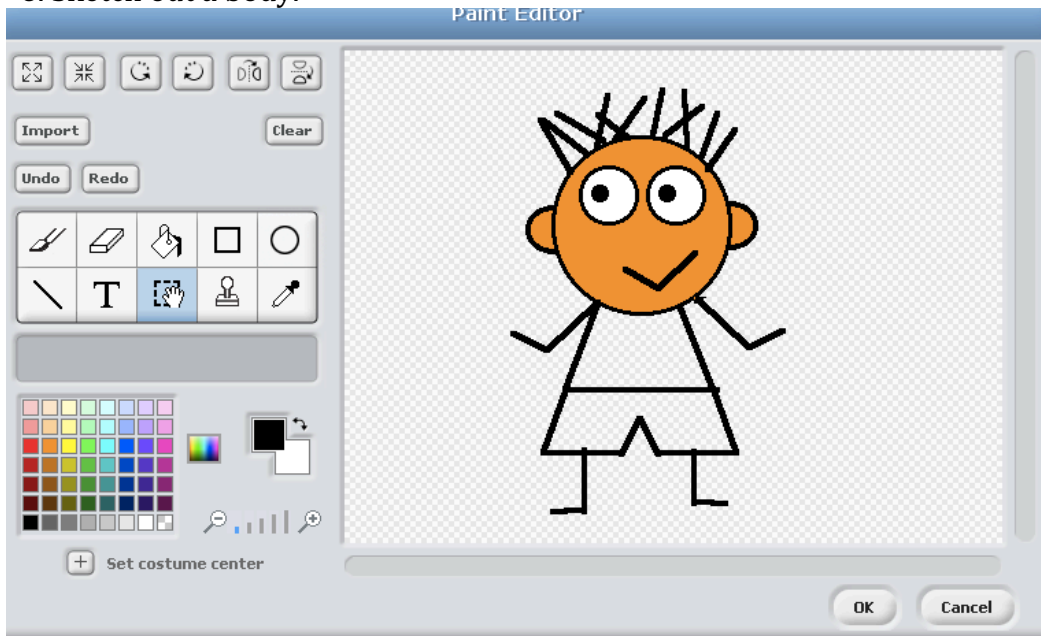

4. Color the circle skin color and add some eyes. Be creative! Yours does not have to look exactly like mine.

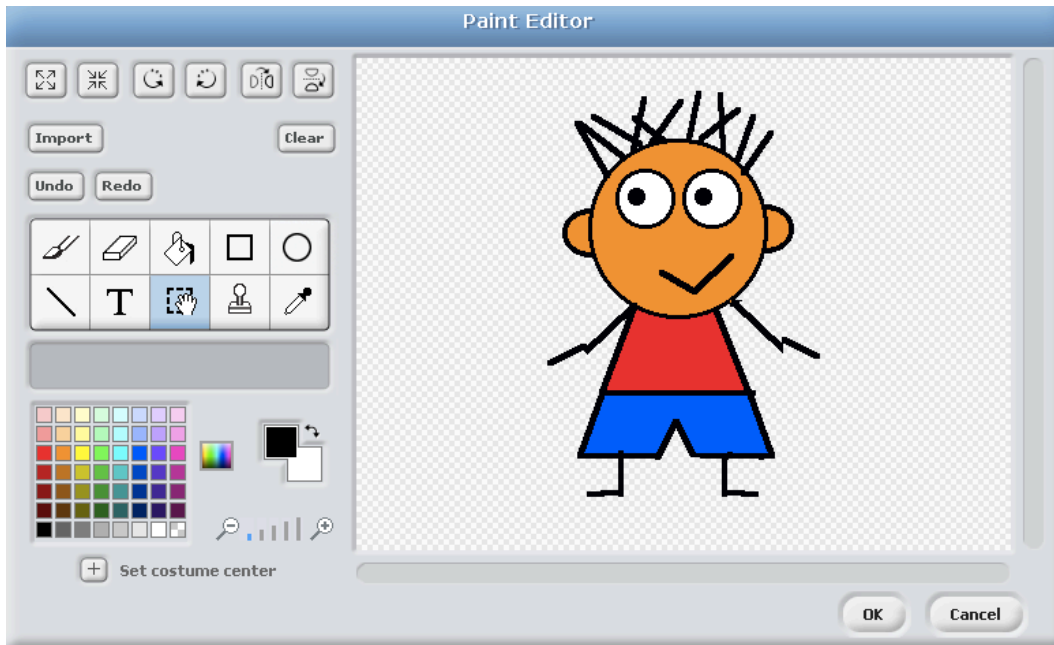

5. Add some hair and a mouth (and a nose if you want to).

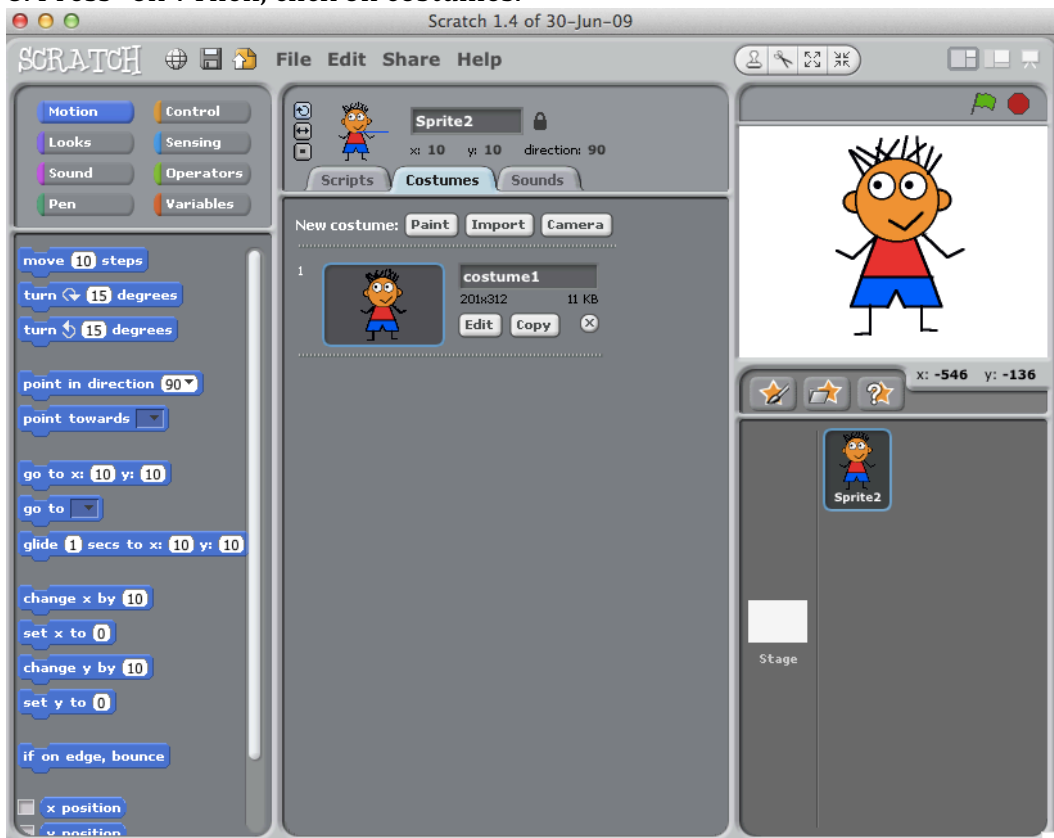

6. Sketch out a body.

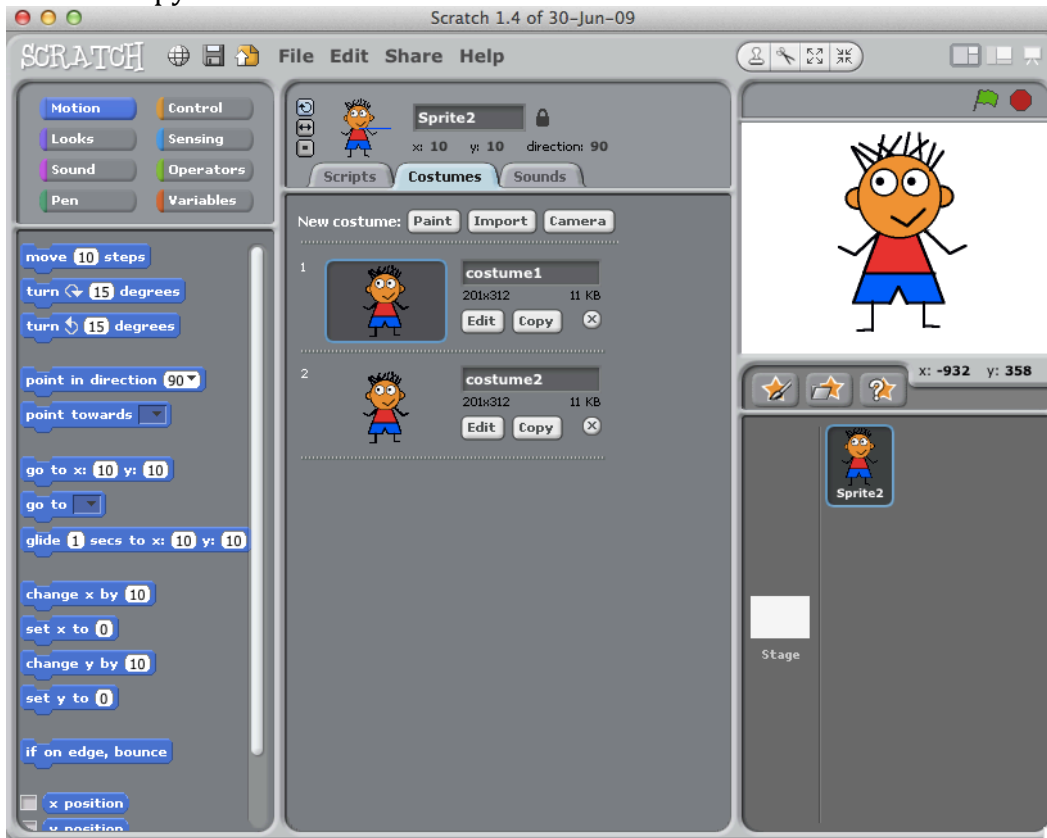

7. Give it some color!

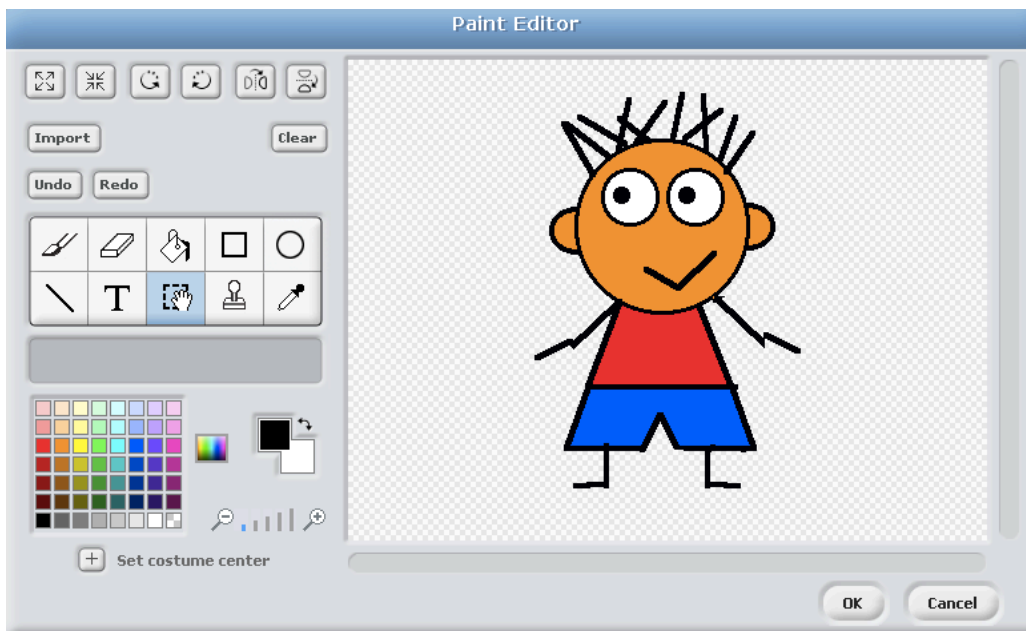

8. Press "ok". Then, click on costumes.

9. Click “copy”. This will make an identical costume.

10. Click “edit” on costume2. Change some parts of him (his hands, feet, cloths, hair, etc.)

11. Press “ok”. Then click on “scripts” Make him do something. (dance, walk, wave, etc.) Below is an example program to make him go side to side. Make sure to add “next costume”.
